

There is just this much about it: Dandruff is a germ disease, is most untidy, analyging, and leads to baldness. When chronic, it is very stubborn, but surely yields to thorough and energetic treatment. All germs must be dectroyed, the scalp must be restored to health. Here is the remedy: Ayer's Hair Vigor. A your doctor about using it.

On Wed-nesday forty loads of debris were taken to the waterfront to be carried out to sen. Yesterday, by four o'clock, Committeeman Thompson reported that eighty loads had already been brought to tide water, one of the loads being that on a motor truck that held "about twelve dray loads."

Everywhere the work is going on and everywhere it is going on thoroughly. "The question is, will the work we are doing be carried on and kept up after we are through," said Dector Currie, during his trip "in the field." One part of the work which should be permanent, he thinks, is in connection with the house gutters. Yesterday morning the men at work were instructed to give the houseowner the choice of the sandage, and the field of the could be achieved. Early informed his audience that the Pacific on dosk.

# A GREAT SUCCESS

Average Speed of Over Fifteen

Captain Greene and Miss Macfariano became acquainted last summor when the beautiful young woman was a passenger on his atcamer to the Par East. There were several other sultors for her hand, both here and in the Orient, but they all faded into the background when the Captain appeared on the scene and the was in the race, the vessel matrialized an average speed of over fifteen knots. This was good news to the steamship people as the boat will be regarded as a time annihilator and the time of trips between Henolulu and Hawaii may be cut down.

The Kilanca will be given the finish

The Kilanca will be given the finishing touches this week and then turned over to the Matern Navigation company, which will land the reservation for Case at Walmea F Navamber 17. The vessed will start for Hoselula on her initial trip about No venter 28 in securand of Captain Freemen, tension of the Manua Rea.
